

ORDINANCE NUMBER 09-06-09
CONCERNING SEWER TAPS

WHEREAS, the Town of Borden owns and operates a municipal utility, the Borden sewer plant; and,

WHEREAS, it is necessary for the Town of Borden to protect the integrity of that sewer facility and all of the necessary lines, connections, and pumps; and,

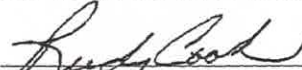

WHEREAS, in order to maintain the security of the lines, pumps, and other accoutrements of the sewer system, the Town of Borden feels it is necessary and appropriate to pass the following ordinance and to amend the sewer ordinance as follows:

1. Any tap of the sewer lines or introduction of any effluent by any other means must be done by an individual or entity which is licensed by Clark County, Indiana to provide plumbing services.

2. The Town Manager shall not issue a permit or in any manner grant permission to any individual other than a plumber appropriately licensed in Clark County to tap or otherwise enter into the sewer system by any means.

SO ADOPTED this 9th day of June, 2009.
